Marine Technology Society Journal
Reprint/Journal Charge Information

Charges: Select either requested (voluntary) price or wholesale price. Please allow four to five weeks for delivery

**Requested (Voluntary) Price: Reprints**

Mandatory page charges are a standard practice with many journals. Subscriptions and advertising revenues for professional journals defray only a small portion of publishing costs, and mandatory page charges pay for many expenses.

The Marine Technology Society does not require mandatory page charges. However, the Marine Technology Society respectfully requests that the author’s institution honor a voluntary reprint charge of $60 per printed page rather than pay the wholesale price. Reprints can be ordered in increments of 100 copies (or ten Journals) as in table, below.
