Evolution of Marine Technologies
Marking the 50th Anniversary of the *MTS Journal*
November/December 2015 issue

The *Marine Technology Society Journal* invites submission of original manuscripts for this special issue on the evolution of marine technologies. The issue will commemorate the 50th anniversary of the *MTS Journal* by featuring manuscripts that present the past, present, and future trends of a range of technology topics. The issue will reflect the diversity in marine technology topics that have appeared in the *MTS Journal* throughout the years.

*The Marine Technology Society Journal* is the flagship publication of the Marine Technology Society. It publishes the highest caliber, peer-reviewed papers on subjects of interest to the society: marine technology, ocean science, marine policy and education. The *Journal* is dedicated to publishing timely special issues on emerging ocean community concerns.
