

# Become a part of the international society that promotes the advancement of marine technologies.

## What Does the Marine Technology Society Do?

Since 1963, MTS has raised awareness about marine technologies, promoted scientific advancement in the field, and supported the education and professional development of practitioners.

## What Do Our Members Do?

Our members (individuals, corporations, government and non-profit organizations) work in all aspects of marine technology including underwater imaging and engineering; underwater vehicle design and operation; ocean observation and exploration; oceanography and meteorology; diving; mooring technology; remote sensing; offshore structures; renewable energy; marine physical and cybersecurity; underwater archaeology; dynamic positioning; research and education; marine law and policy; and more.

SOCIETY

Opportunity runs deep™

Join the international network of  
marine technology professionals.

BECOME A MEMBER

## Membership in MTS Can Help You...

- ✓ **Expand Your Network.** MTS connects you with people you might never normally meet and work together with — from government, to academic, to corporate professionals.
- ✓ **Share Your Research.** In the peer-reviewed *Marine Technology Society Journal*, at conference presentations and poster sessions, and at local Sections and in Technical Committees.
- ✓ **Learn and Grow Professionally.** You never stop learning. From national conferences like OCEANS, the Offshore Technology Conference, and Underwater Intervention, to specialty conferences like Dynamic Positioning, the Buoy Workshop, and our pop-up TechSurges that are focused on specific areas of marine technology — you'll keep expanding your knowledge year-round. New to the profession? Join our mentoring program.
- ✓ **Stay Informed.** There is so much going on in the world of marine technology. MTS keeps you up to date through our digital news platform and e-newsletters, in the *Marine Technology Society Journal*, and in *Currents*.
- ✓ **Get Recognized.** Through MTS Awards and Fellows programs, your research and career achievements are celebrated.

## Member Benefits

- Subscription to the *Marine Technology Society Journal*, *Currents*, and our online news platform
- Discounts on conferences and specialized technical workshops & webinars
- Join technical committees and local MTS sections
- Networking and leadership opportunities
- Career support
- Eligibility for MTS awards
- Access to the *MTS Higher Education Guide*
- Student support - mentoring, internships, scholarships, Marine Technology Camp
- Discounts on job postings
- Discounts on advertising rates in MTS publications
- Announcements, listings, and features in MTS publications

**Your membership** supports the mission to expand the research, understanding, and sustainable use of the ocean and marine environments using marine technology. Your passion is shared by thousands of technology leaders who are members of the Marine Technology Society.

## Individual Membership Dues
