

Captain Don Walsh Award for Ocean Exploration

Awarded jointly by the Marine Technology Society and the Society for Underwater Technology, this award recognizes outstanding, sustained, international contribution to the development, application, and propagation of marine technology toward the advancement of ocean exploration, ocean education or ocean conservation; open to those from any country or territory. Please note this is not a lifetime achievement award.

Only one completed nomination form will be accepted for each candidate. If a completed nomination form has already been accepted for your candidate, you will be notified. Only the information requested on this form will be used in the review of your candidate. Complete nomination packets are due by May 31.

Required Information

- Your contact information
- Contact information of nominee
- Nominee CV
- Statement of Nomination reflecting on the nominee's contribution to the development, application, and propagation of marine technology toward the advancement of ocean exploration (4,000 characters or fewer, including spaces)
- Optional - You may upload an additional file to provide further information beyond the Statement of Nomination already submitted. This is encouraged and could include a letter of support, additional information about nominee, etc.

The nomination process is competitive. Please be sure to include enough information about your nominee to provide the Awards Nominating Committee with a complete description of your nominee and his/her/their accomplishments.
