

Scavenger Hunt: We have organized a local scavenger hunt based at Bell Harbor. We recognize that folks are busy, so we have three options with varying levels of commitment:

1. Waterfront Loop: 1.8 mile loop around Pier 62.

Stops include: Seattle Aquarium → Seattle Great Wheel → Seattle Art Museum → Benaroya Hall → Pike Place

2. Center Loop: 1.7 mile loop around Seattle Center.

Stops include: Olympic Sculpture Park → Chihuly Glass → Space Needle

3. Wayward Route: 2.8 mile trek ending near the international district

☀️ Pro-tip: get a team together to divide and conquer!

Stops include: Chihuly Glass → Space Needle → Seattle Central Library (+1 bonus point for distance) → Waterfall Garden Square (+1 bonus point for distance)
