

# 2016 NW Marine Technology Summit

## CALL FOR ABSTRACTS

The 2016 Northwest Marine Technology Summit will convene at the Best Western Plus Agate Beach Inn on October 10<sup>th</sup> and 11<sup>th</sup> in Newport and will feature a variety of session topics, private receptions, ship tours, keynote speakers, and more. Nearly 200 leaders and students from the field of marine science and technology gathered in Newport Oregon in October '14 for the inaugural NW Marine Technology Summit.

As in 2014, the 2016 event is organized by volunteer marine technology professionals and students from the Oregon Section of the Marine Technology Society (MTS). Join us in “Building a Collaborative Ecosystem for Marine Technology Research and Development in the Pacific Northwest”

### GUIDELINES

- 300 word limit
- Emphasis on how the topic achieves the intent of the suggested topic
- Specify the status of the topic in terms of application (theoretical, research & development, testing, operating, etc.)
- Email all submissions to: [Josh.Cohen@mtsociety.org](mailto:Josh.Cohen@mtsociety.org)
- 9/10 Submit abstract for approval
- 10/1 Final paper due
