

## OCEANS'14 MTS/IEEE St. John's CALL FOR ABSTRACTS Extended Deadline!

### OCEANS'14 CALL FOR ABSTRACTS

The OCEANS'14 Local Organizing Committee along with the Marine Technology Society and the Institute of Electrical and Electronics Engineers OES is pleased to advise that it will be extending the deadline for the Call for Abstracts for our September 14-19, 2014 event. The new deadline for Submission of Abstracts is Friday, April 18, 2014 at 11:59 p.m. NST (Newfoundland Standard Time). We have had quite a few enquiries requesting an extension and we would like to afford everyone the opportunity to participate in this exciting international OCEANS Conference and Exhibition.

For further information on the submission process and other pertinent information please visit our website at <http://www.oceans14mtsieestjohns.org/main.cfm/CID/18/Technical-Program/>.

Please note that the Student Poster Competition as well as the Call for Tutorials also close at the same time and date as the Call for Abstracts.

If you have any questions relating to the process or your submission please feel free to contact one of our Technical Co-Chairs:
