UI 2019 Call for Abstracts

The leadership committee for Underwater Intervention 2019 (UI 2019) has issued a call for abstracts for those interested in presenting at the preeminent event for the underwater operations industry. UI 2019 will take place February 5-7, 2019, at the Morial Convention Center in New Orleans, Louisiana.

Our goal is to develop a compelling educational and technical program with all our attendees in mind. Our Track Leaders want to hear from you regarding your insight and expertise regarding the following tracks:

- Commercial Diving
- Manned Submersibles
- Marine Education/Academia
- Remotely Operated Vehicles
- Survey and Mapping (New this year!)
- Unmanned Untethered Vehicles
- Young Entrepreneurs (New this year!)
- Think Tank

To submit an abstract, please click the following link and follow the prompts. [UI Program Portal](#) The deadline to submit abstracts is **August 15, 2018**. If you have any questions, please feel to reach any of the track leaders directly.

Track	Track Leader	Email
